life DECISIONS

April 18, 2024

Dear Parent,

Life Decisions has been invited by the administrators and faculty of Newman International Academy to present an abstinence message on **Wednesday, April 24, 2024**. The 7th and 8th grade students will attend the presentation from **11:00 am – 11:45 a.m.**

Life Decisions has been teaching young people to make healthy choices such as building good character and saving sex for marriage for more than 25 years. With sensitivity to the age of the audience, this abstinence presentation will focus on postponing sex for marriage. Waiting for marriage is the best way for young people to protect their minds, bodies, character, and future relationships.

If you would rather your student not attend, you may request an alternative assignment.

Sincerely,

(Teacher signature)

Newman Academy Cadet Squadron Partners with NASA 2024 Solar Eclipse Mission

Location. Cedar Hill, TX. 08-Apr-2024

Civil Air Patrol made history by partnering with NASA to collect Solar Eclipse Data on a continental scale on April 8, 2024. Newman Academy Cadet Squadron TX-817 was one of a few teams from Texas that participated in collecting data to be used by scientists worldwide studying the effects of an eclipse on weather. Cadets used their skills to collect data, including: air temperature, cloud cover/type, wind speed/direction, and participation as well as the effects on wildlife behavior. Newman Academy Cadet Squadron, a school-based squadron of the Newman International Academy charter school district in North Texas, utilized their newest CAP STEM Kit – Weather Station to provide NASA with accurate data from their Cedar Hill, TX campus which was located in the center of the eclipse pathway across Texas. Newman Academy Cadet Squadron is proud to have fulfilled our part of this historic partnership with NASA.

About Civil Air Patrol

Founded in 1941 and established as the official civilian auxiliary of the U.S. Air Force seven years later, Civil Air Patrol is chartered by Congress as a nonprofit organization for the purposes of youth development, aerospace education, and to promote general aviation. In an auxiliary role as a Total Force partner of the Air Force, CAP operates the world's largest fleet of single-engine aircraft for search and rescue, disaster relief, training, and education. Civil Air Patrol is dedicated to serving America's communities, saving lives, and shaping futures.
